Students of the Week

Recognising and celebrating achievement of our values.

Be a Learner

Emmy O'Brien - For always asking for help and clarification with her learning, to further progress and challenge herself. 😊

Rubie Trim - for taking risks in the classroom, giving challenges a go with confidence and determination. 😊

Bailey Dean - For confidentially identifying and explaining the most effective and efficient strategies to solve multiplication problems. 😊

Ella King - For a consistent and hardworking attitude in her learning. 😊

Charlie Lynch - for showing the school value of being a learner through his dedication to the writing tasks. 😊

Elly Bassett - For her hard work and persistence in blending sounds to read unfamiliar words. 😊

Be a Mate

Mia Stockman - For demonstrating the value of being a mate by showing kindness to all of her peers and teachers every day. 😊

Give Something Back

Fletcher Boote - For taking the leadership position during the excursion. 😊

Tilda Fowles - For demonstrating the school value of giving something back, frequently volunteering to help tidy our classroom after activities, including helping others to tidy their areas as well. 😊

Ross' Report

The grade 1 and 2 students enjoyed an action-packed excursion day last Friday, followed up by the always exciting sleepover at school. They arrived back from the Upper Plenty Adventure Camp full of stories and highlights, ready to share with everyone. After a play around the school - lots of fun when you have the whole yard to yourself - the students enjoyed a delicious meal of pasta, potatoes and salad. There were some tired people (students and staff!) by the time the movie started, and everyone fell asleep relatively early. Everyone enjoyed seeing their families when they were picked up Saturday morning after cereal, toast, fruit and juice for breakfast. Thanks to our parent helpers, Sam and Katie, who attended the excursion, our helpers with dinner Danielle, Sandy and Georgia and Mel and Belinda for sleeping over. We really appreciate your support.

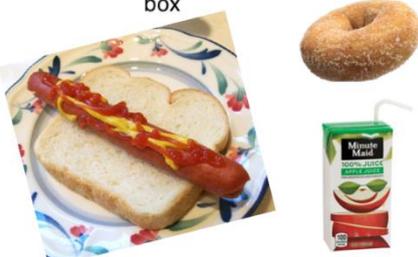

I was fortunate enough to head over to Yea yesterday for the Kids teaching Kids Day. Our grade 4s, who represented our school, did an amazing job, delivering their presentation with confidence and clarity to other schools that were present. Thanks to Alesha for all her work in preparing the students and to the 9 students who participated - well done!

This weekend we are having our first Art Show, which will showcase the wonderful work at Avenel Primary School. We hope that all families are able to get over to the event on either Friday evening for the official opening, or Sunday morning. It is going to look spectacular and will be worth coming along to.

Your feedback is always welcome at ross.davis@education.vic.gov.au or 0403 565 119.

Junior School Council are organising a fun **'last day of term 3'** day next Friday. You will find a lunch order form towards the end of this Newsletter. Please return it by next Wednesday so that we can place our orders for hot dogs, donuts and juice boxes. Thank you.

HAPPY BIRTHDAY – Alice Cram, Caspar Leunig and William Lynch

Avenel Primary School

"Creating learners, Growing Good People, Giving Something Back"

You are invited!

Please join us as we showcase all of our hard work so far this year.

There will be many pieces of artwork on display, framed pieces for the children to purchase, collaborative art spaces, decorate and purchase a 'green' bag and find out the winner of the colouring in competition.

Our singing group will also be performing 3 songs for us on the Friday night.

Education

Visual Art

Rationale - Visual Arts includes the fields of art, craft and design. Students create visual art works that communicate, challenge and express their own and others' ideas. They develop perceptual and conceptual understanding, critical reasoning and practical skills through exploring and expanding their understanding of their world, and other worlds.

Through Visual Arts, students make and respond using visual arts knowledge, understanding and skills to express meanings associated with personal views, intrinsic and extrinsic worlds. Visual Arts engages students in a journey of discovery, experimentation and problem-solving relevant to visual perception and visual language, utilising visual techniques, technologies, practices and processes.

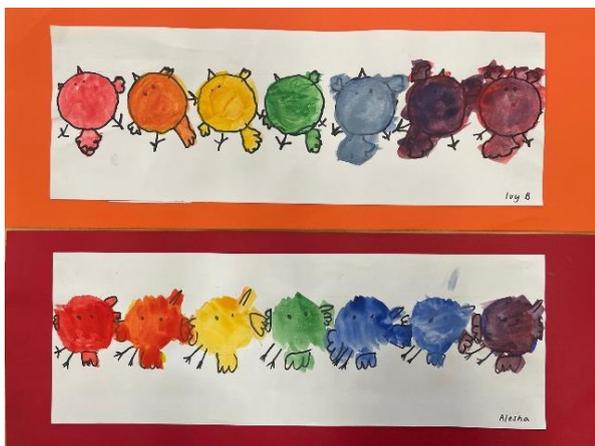

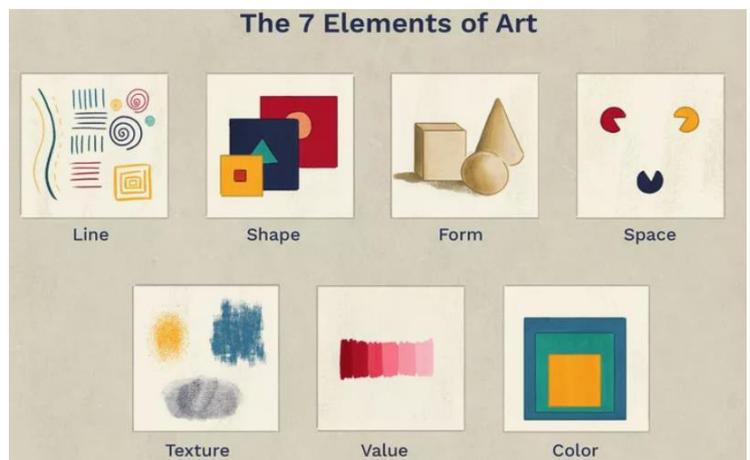

Visual Arts supports students to view the world through various lenses and contexts. They recognise the significance of visual arts histories, theories and practices, exploring and responding to artists, craftspeople and designers and their artworks. They apply visual arts knowledge in order to make critical judgments about their own work and that of others. Learning in the Visual Arts helps students to develop understanding of world cultures and their responsibilities as global citizens.

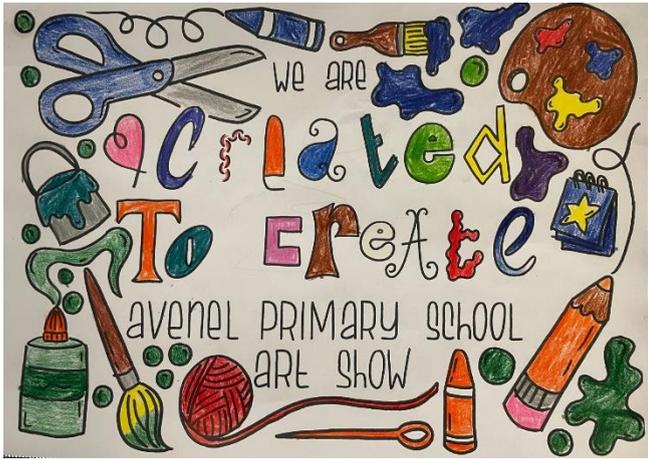

Aims - The Visual Arts curriculum aims to develop students':

- conceptual and perceptual ideas and expressions through design and inquiry processes
- visual arts techniques, materials, processes and technologies
- critical and creative thinking, using visual arts languages, theories and practices to apply aesthetic judgment
- respect for and acknowledgement of the diverse roles, innovations, traditions, histories and cultures of artists, craftspeople, designers, curators, critics and commentators
- respect for visual arts as social and cultural practices, including industry practices
- confidence, curiosity, imagination and enjoyment and a personal aesthetic through engagement with visual arts making, viewing, discussing, analysing, interpreting and evaluating.

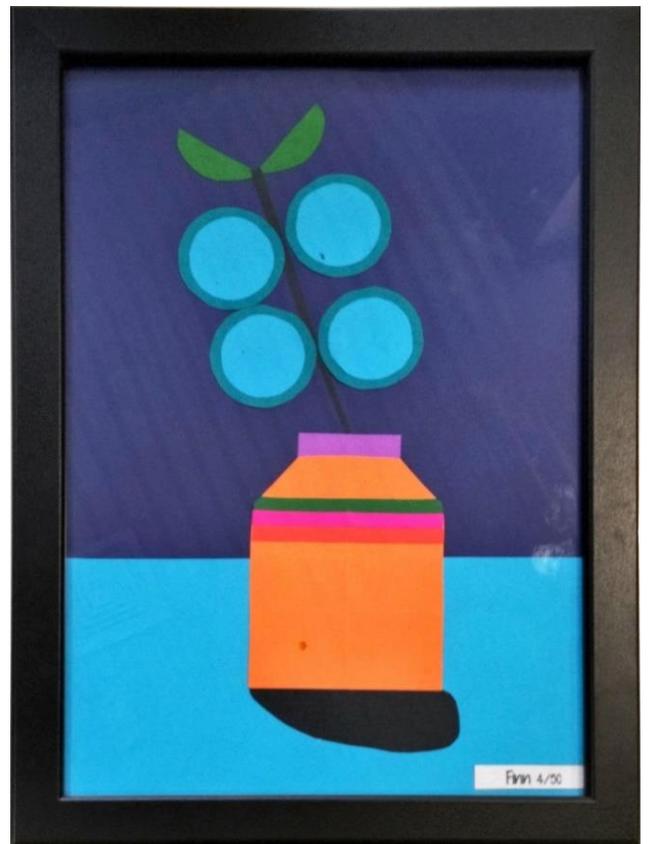

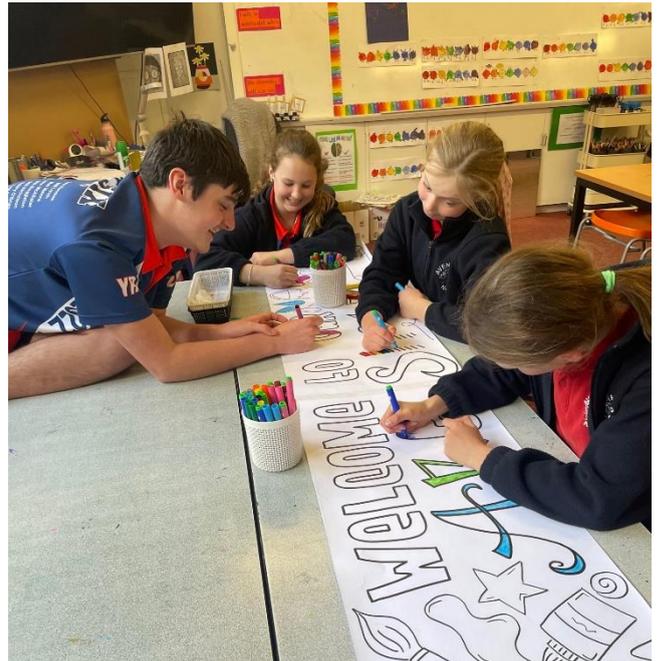

In our Visual Arts program over the course of the year we focus on the different areas of painting, printing, drawing, collage, construction, textiles and *everyone's favourite* modelling. Students will consider the Elements of Art that they use within each piece of art they create.

Organisation for our first **Art Show** (this weekend!) is well underway, we have the most amazing display boards that the Seymour Arts Society have kindly loaned us and we thank them. Mrs K and her family have spent time constructing these and they are going to bring a very professional air to our artwork.

We will be showcasing all of the students' efforts over the past 3 terms. Students will be able to purchase a framed piece of work for \$10 (Grade 6 is \$15), there will be collaborative pieces to work on, you will be able to buy and decorate a 'green' bag, find out the winners of the colouring in competition and raffle tickets for sale. There will also be a performance from our singing group on the Friday night.

Student Report

Kids Teaching Kids Conference 2022

Yesterday (Tuesday 6th September) our KTK members travelled down to Yea Wetlands to participate in the annual Kids Teaching Kids Conference. Our group presented to another school on deforestation where we ran activities on the effects of deforestation and how it can unbalance our ecosystem. Avenel Primary School were able to create an engaging presentation with hands-on activities such as board games and Jenga. There were many presenters from other organisations at the conference who were able to teach us about the local flora and fauna as well as some information on plastics and recycling and repurposing. Well done to all of the students who have dedicated many lunchtimes preparing and rehearsing and being able to produce a wonderful presentation.

General Information

FATHER'S DAY RAFFLE – A big thank you to those who contributed items for the Father's Day raffle. The lucky winners were Ian Halpin and the Chiswell family. We hope that you enjoyed your basket of goodies. We raised \$696.00.

VOLUNTARY CONTRIBUTIONS - Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. School Council has set the Voluntary Contributions for this year of \$240.00. This voluntary contribution can be paid at the office with cash or Eftpos or by direct debit to Avenel Primary School BSB 063 545 Account 1007 6513.

2022 PARENT/CAREGIVER/GUARDIAN OPINION SURVEY

E-mails have been sent out to a random selection of parents inviting them to take part in our annual Parent/Caregiver/Guardian opinion survey.

Results will be used to inform and direct our future school planning and improvement.

We ask you to please take the time to complete the survey as your opinions are important to us and will contribute to the future management and organisation of our school.

The survey is conducted **online** by ORIMA Research and should take around **15 minutes** to complete.

The survey will be open until **Friday 16th September 2022**.

MARKET DAY BBQ – SUNDAY 11TH SEPTEMBER

TERM 4 – LUNCH ORDERS – Avenel Cafe has launched the term 4 lunch order list which includes price increases in line with changes that occurred in the shop in July. Whilst every effort is taken to ensure these are kept to a minimum, we have had to make adjustments in line with what is occurring in the market. This also reflects that market price increases have been sustained now for quite a while.

Don't forget to use the new Term 4 order form (copy attached) when ordering lunches next term. **Please make sure you ring lunch orders through before 10.00am.** If you have any concerns, please direct these to Shaun at the Cafe on 57962536 or avenelcafe@gmail.com.

MINI MUSIC CONCERT – Our music students will be taking part in a mini concert next Thursday (15th September) at 2.20pm. Members of the community are invited to come along to hear our talented students perform.

RUOK? DAY™

A conversation could change a life.

Although we should do this every day, please remember to ask someone tomorrow – 8th September - national U R Ok Day – **Are you OK?**

3 DAY BIKE HIKE

Gr 5-6 students are busy training for the 3-day bike hike which will take place from the 19th – 21st October. This year our students will be back riding the Great Victorian Bike Trail from Bonnie Doon to Tallarook.

BONNIE UPDATE

I have been coming to school on a regular basis now, spending time in every classroom throughout the week. While I enjoy my time in the classroom helping out, I really love having special 'one on one' time with students because I get lots of cuddles and pats. I feel really fuzzy inside when I make them feel happy and they forget about their troubles or problems for a little while. That's when I know that I am doing my job properly. 😊

Attention Cricketers

A friendly reminder that the cricket seasons is fast approaching and will kick off at the beginning of term four!

We have an exciting season ahead with family fun events penciled in as well as a bus trip/excursion to a BBL match in Melbourne!

The Avenel Cricket Club would absolutely love to see more female representation throughout the club and within the teams this year! We are urging all aspiring young cricketers and parents to keep an eye on the newsletter and the Avenel Cricket Club Facebook page in the coming weeks for more information as it comes to hand!

INTERESTED IN A JUNIOR TENNIS COMP?

We are looking to start up a junior competition again, whether this be a locally based competition run over 5 or 6 weeks (either on a Friday evening 4.30pm – 6.30pm or Saturday morning 9.00am – 11.00am) or joining with either Nagambie or Euroa junior tennis. Therefore, we are asking parents of those who would be interested to complete the expression of interest below or contact either Stephen Garner or Dee Wright and let us know your preference so that we can then start setting things in place to get this competition started.

Return to Dee at Avenel Primary School.
